Service excellence

Response time

IXcellerate engineers respond to Customer ticket request within 15 minutes. In case of equipment failure we always prioritize getting it back up & running as soon as possible.

Customized reports

We provide on-demand, customized reports, including Remote Hands usage, access, equipment deliveries and removals, power consumption and climate control measurements.

Technicians you can trust

IXcellerate customer desk has a dedicated on-site team of technicians present 24/7/365.

Select your service plan

With IXcellerate you can select a service plan that is right for you. Choose a monthly retainer at a discounted hourly rate or order "a la carte" services when you need them.

Easy and efficient

Submit your order via Zendesk client portal any time from any device. It is as simple as logging in and opening a ticket, we will do the rest.

Procedures

Our highly skilled staff follow strict procedures and documented processes to meet Customer expectations.

Marketplace

Expand your options further and enjoy access to a vast on-campus digital ecosystem of technology partners, telecom operators, cloud providers and system integrators.
